PEANUTS BY CHARLES SCHULZ

CANDORVILLE

by DARRIN KEL

Dear "Journalist," I read your article about how a bunch of studies show it's certain man is causing climate change, and that that's horrible.

And just the next day, I read your article about all the ways we can terraform Mars.

YOU'RE SUCH A HYPOCRITE.

If man-made climate change is OK on Mars, why isn't it OK here on Earth? Huh?

Don't even bother replying, I will not read it.

DEAR READER, I KNOW YOU'RE READING THIS.

WRONG.
